(Notes)

1. Memorial Day Event

Disappointment at lack of unity

Disappointment at lack of awareness of all Petty Officers

Disappointment at lack of understanding at how to conduct oneself at ceremony

2. Discuss importance of unity. Uniformity means wearing the same uniform.

You are ordered to lay out your uniforms two days before any Sea Cadet event to check it over. White tee shirt dirty? Wash it with bleach or get a new one. There will be no excuses for not having all uniform components...bright white tee shirt for dress uniform, blue name tag, neckerchief, bright white Dixie cup.

You are ordered to have a hydration device on your person when reporting for any duty.

Those who do not comply with these orders will face discipline.

3. Discuss Petty Officer Leadership. Petty Officers are elevated to cadet staff positions BECAUSE they know more and have more experience. If Petty Officers do not remain aware, they will be demoted from their posts until they can demonstrate otherwise. Petty Officers should arrive at events completely dressed and not missing any uniform components.

4. Discuss conduct at events. Especially when in Dress Uniform, strict adherence to conduct guidelines must be followed.

Limit chatter.

Limit skylarking.

Behave in a professional manner to honor the uniform you're wearing

* Discuss when to salute.

* Discuss when to say the Pledge of Allegiance and how to behave.
