

HOW TO WASH A US NAVY DIXIE CUP HAT

SUPPLIES

Dixie Cup hat

Toothbrush (old but clean bristles)

An empty dishwasher

2 c white vinegar

Dishwasher soap

1 bath towel

INSTRUCTIONS

1. Unfold Dixie Cup.
2. Inspect for any spots or stains.
3. Rinse the spots or stains with warm water.
4. Making a paste with the dishwasher soap and water, scrub spots or stained or smudged areas with toothbrush.
5. Place Dixie Cup on upper rack of empty dishwasher, much like how a glass is placed.
6. Add 2 cups **white** vinegar to the bottom of the dishwasher.
7. Add dishwasher soap to the dispenser.
8. Run the dishwasher cycle.
9. Make sure hands are very clean from this point forward.
10. When dishwasher cycle is completely finished, remove Dixie Cup hat.
11. Reshape Dixie Cup hat for wearing.
12. Place on towel to air dry.
(The hat may shrink. With **very clean hair and face**, put the hat on while it's damp and stretch it around the top of your head if necessary to ensure its proper fit.)
